Bomberman is a game character from the early era of gaming that hasn't

been appearing as frequently as he used to and that's why we need to rely

on games like Bomber Friends. This game carries the spirit of the original Bomberman game

into its gameplay and presentation. You're playing as someone who ends up trapped in a

lot of spaces filled with a mess of blocks and other threats. The good news is

that you're not defenseless, but the bad news is that your tools are as dan

gerous to you as they are to the blocks and threats around you. You can have a blast, ju

st be careful. About Bomber Friends

There's sometimes an odd combination of puzzle, party, and action that appears

in certain games. This is one of those games with a stylized and color

ful take on the cartoon classic, the round bowling ball bomb. You'll be

running around mazes with a view that lets you see where everything is so that you know

how to blast your way to the end. It's also about customizing your characters before and during each level to make it your own experience. In some ways, it is a friendly experience

, that's bound to blow up your gaming library if you play enough of it. How to Play Bomber Friends is a 2D top-down game played with the keyboard. There's currently only one control scheme currently available.
