As the name suggests, a multi is short for Multiple bets and it's where you combine two or more in sports betting on a single event. In order for a uni to get paid, all legs of the bet must be successful. So our total profit should be three times the original stake.

Liverpool match goes up 5/1 from 4/21. 8 and 5 are then multiplied to result in 40. So the bet becomes 19 1 (39+1=40) on a double of Arsenal beating Chelsea and Tottenham beating Inlaterra!
