<p>Rouge casino f</p>

<p>This site is owned/operated by Topia solutions NV.</p>

<p>This casino as well as other sites owned by Topia solutions NV 👄

; is allowing the U.K. general public to sign up, play and Deposit without obta

ining the required licence needed from the 👄 UKGC.</p>

<p>It is required by the U.K. gambling commission that in order for any on

line casino that promotes their product to 👄 the Consumers of GB must o

btain a valid licence from the UKGC. This casino does NOT.</p>

<p>Any casino that does this 👄 should be classed as a rouge casin

o.</p>

<p>They will try and say that their terms and conditions state that it is

👄 up to the player to be a wear if gambling is illegal in their jurisd

ction.</p>

<p>Well gambling in the U.K. is 👄 not illegal so their terms and

conditions to not justify this!</p>

<p>It is in fact their responsibility to block U.K. players 👄 not

the other way around.</p>

<p>I strongly advise That people refrain from signing up here, please read

all reviews from many 👄 other sites, a lot of review sites have this a

nd other casinos from Topia Solutions as BLACKLISTED for this very 👄 re

ason as well as others.</p>

<p>I can not stress enough that you really need to look at all reviews fro

m other 👄 sites.</p>
